LUCA VOLPE

THE ITALIAN MENTALIST

THE ITALIAN MENTALIST

LUCA VOLPE

.....
If you are planning a corporate events, a big conference or trade show, Luca Volpe can create something unique that your clients will never forget.

There are many advantages to booking a mentalism act for corporate entertainment, especially if your company wants to pursue a wow factor.

Mentalism is new and fresh, it is a form of entertainment that most people won't have experienced live before which makes it unique and impressive to guests. The audience witness truly incredible effects that are impossible to explain and are left with a memorable experience that ensures the event is talked about long after it is over. That is why Luca Volpe is one of the most requested mentalists for corporate events all around the world.

Why not speak to Luca about how he can incorporate your logo or company message into his show? An assured way to get clients talking about and remembering your business.

Luca Volpe is the only mentalist that can offer a total tailor made experience for your company.

From the creation of interactive experiments using maxi screens, to special presentations which help to expand the business client base. The presentation will assist the company in conveying and emphasizing its messages.

Other important features:

- Help the audience remember the company's marketing message.
- Enable the audience to remember the technical aspects of new products.
- Focus attention on any message the company wants to drive home to the audience.
- A fun and unconventional way of getting across a message.

It is also possible to create special merchandise incorporating a company logo or message, that will be used for experiments during the show, this will further help implant in people's mind the product or company message.

Luca Volpe is always ready to interact with members of the team before each presentation, therefore guaranteeing the perfect outcome of the event.

LUCA VOLPE

.....

Luca Volpe is the first mentalist in Italy to have created a virtual show that he presented for large companies such as: AMAZON, ADOBE, SNAPCHAT, PFIZER, BANCA SELLA, AVIVA, GALAPAGOS, ACCENTURE, RIPPLE, ZERTO, ESRI, PERRIGO and many more.

Luca Volpe is the first mentalist in Italy to have pioneered a virtual show, bringing his unique blend of artistry and skill to major global corporations. His impressive client list for this show includes Snapchat, Pfizer, Banca Sella, Aviva, Galapagos, Accenture, Ripple, Zerto, Esri, and Perrigo, among many others.

This groundbreaking 30-minute show redefines entertainment by bringing the theater directly to the viewer. "E-Mentalism" is designed for audiences ranging from a single person at home to large virtual gatherings of up to 500 participants. The performance features astonishing feats of the mind, including thought reading, impossible predictions, and subtle persuasion techniques where Luca Volpe can influence a spectator's choices.

Ideal for modern events, this show is perfect for virtual meetings, online corporate events, home parties, or any occasion where you want to provide world-class entertainment "on demand." Experience the future of entertainment with a show that is both interactive and unforgettable.

The show is available in both English and Italian.

MC and Key Note Speaker

LUCA VOLPE

THE STRATEGIC MENTALIST: Commanding the Inner Game

Format:

30-minute keynote / psychological experience

Description:

This is not a magic show.

It is a curated psychological experience designed for leaders who operate under pressure.

In The Strategic Mentalist, Luca Volpe blends live mentalism with strategic concepts to demonstrate how attention, intuition, and decision-making can be intentionally directed rather than left to chance. Drawing from his work MIND 100, Luca explores focus, productivity, emotional control, and mental clarity through live demonstrations that engage both intellect and perception.

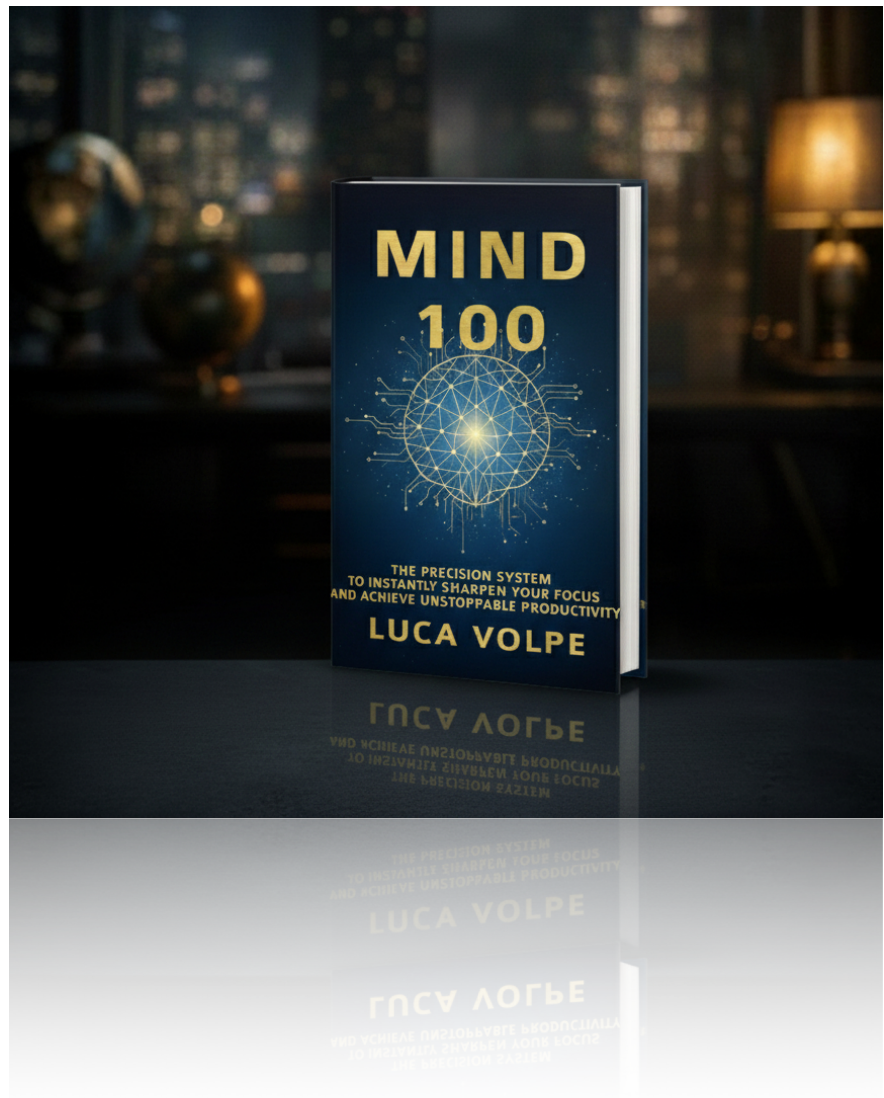

Designed for executive and high-performance audiences, the keynote delivers a shared experience that is sophisticated, intellectually engaging, and memorable without being theatrical.

Ideal For:

- Leadership conferences
- Executive off-sites
- Corporate and innovation summits
- Luxury and private events

Audience Takeaways:

- ✓ Strategic focus and clarity
- ✓ Tools for managing attention and energy
- ✓ A new perspective on certainty and decision-making
- ✓ A memorable experiential moment that reinforces execution
